About Us

Mapi Leather is a family owned company with long years of experience in the production of high quality genuine leather goods. After working as a master craftsman for 20 years, Mr. Nedim KARTAL established his own company in 2004 in Istanbul to handcraft leather goods and today it is one of the prominent factories of the industry in Turkey. In addition to various leather items such as bags, wallets, accessories, we are a competent service provider for the design and production of high-quality cases for watches, jewelry or accessories.

We are providing our clients with the finest products where combine best quality materials with our artisan

craftsmanship. Mapi Leather works according to ISO Quality Guide Standards (ISO-9001 , 14001 45001)

Product Development

" You will dream, we will make for you..."

Our technical team is passionate about pushing the limits of product design to create the very elegant articles with perfection which satisfy our customers.

Every need of our clients is a new challenge, for which we offer always innovative and customized solutions with our utmost care.
